President, Global Sales &  
Marketing

### BIOGRAPHY

As the Senior Vice President and President for Global Sales & Marketing and a member of the Molex Global Leadership Team, Murat Dogansoyals leads a strong team of professionals dedicated to driving sales, ensuring superior customer experience, and helping Molex create connections for life across the globe. Murat and his team lead the digital transformation of Molex's commercial business, working to drive mutual benefit for Molex and its customers in dynamic categories of the business such as 5G, electric vehicles, Industry 4.0, connected mobility, AI and data centers, and so much more.

Prior to becoming the leader of Global Sales & Marketing in 2023, Murat had served as the VP of DataCom Sales in Molex's DataCom & Specialty Solutions (DSS) Division since 2016. In this important role, Murat led the successful growth of the DataCom business across the enterprise, cloud data center, and telecom infrastructure segments, building relationships and successfully diversifying our customer base globally.

Murat joined the company in 1999 as a Sales Engineer in Turkey. In March 2004, he was promoted to Field Sales Manager before becoming Country Manager, Turkey in January 2006. In 2010, he transferred to the sales office in the Netherlands as Country Manager, Benelux. In 2013, he was promoted to Regional Sales Manager for Central and Eastern Europe.

Murat has an MS in Engineering Management from the Missouri University of Science and Technology and a BS in Metallurgical and Materials Engineering from Istanbul Technical University. He speaks Turkish, German, and English. He resides in Naperville, Illinois with his wife and daughter.
